

*Adding Power to Life*

**DPSC**

## **DPSC LIMITED**

Established in the year 1919, DPSC Limited has pioneered leadership with trust and confidence and has emerged as an esteemed power company in West Bengal with a track record of performance in introducing state-of-the-art power technologies. DPSC has over the years prioritized generation, transmission and distribution of power within its command area in West Bengal as a power utility company. Powering industrial resurgence in West Bengal which includes the collieries of Eastern Coalfields Limited, the railways, WBSEDCL, mini steel plants, sponge iron plants, cement plants, refractory works, glass works, hospitals, engineering industries (small and medium & township).

The Thermal Power Stations of the Company are located at Dishergarh, Chinakuri and Solar Power at Seebpore in association with West Bengal Green Energy Development Corporation Limited (WBGEDCL). The optimum thermal capacity enables the Company to supply power at competitive tariffs to its consumers. The T&D losses at around 3% are the lowest in the country.
